

## How to Upload or Change Your Profile Picture or Avatar

To edit your profile image or avatar, move your cursor to your **Profile Image and Username** at the top right of the page and click on **Dashboard** in the drop-down menu.

084

In the dashboard, click on **Profile**.

In the profile, click on the **Change Profile Photo** tab. Then choose an image from your computer to upload or alternatively drag and drop your files into the field provided. Once it's uploaded, you can crop it, if necessary, and then click **Crop Image**.
